*You'll be a visitor for life*

ST. VINCENT & THE GRENADINES

*The Caribbean you're looking for*

*You are taken aback by the expanse  
of prime black sand beachfront.  
Then, you settle in and get the lay of the land.*

*Yachts bob in the sheltered bay. They are regulars.  
Around here familiarity breeds admiration.  
Even a famed "Pirate of the Caribbean" has eagerly  
dropped anchor.*

*Hopefuls cast lines for "tri tri," the sweetest fish in Vincy.  
They aren't the only swimmers drawn to these waters.*

*Coconut trees connect the hills and valleys.  
Many bend with an abundance of fruit.  
Caribbean pirate or private citizen, this place  
is hard to resist.*

## *Cumberland Beach Facilities*

- Restaurant and Office
- Washroom and Laundry Area
- Vending Shops
- Jetty
- Showers

## *Getting There*

Taxis and tour operators.

## *Group Visits*
