ST. VINCENT & THE GRENADINES

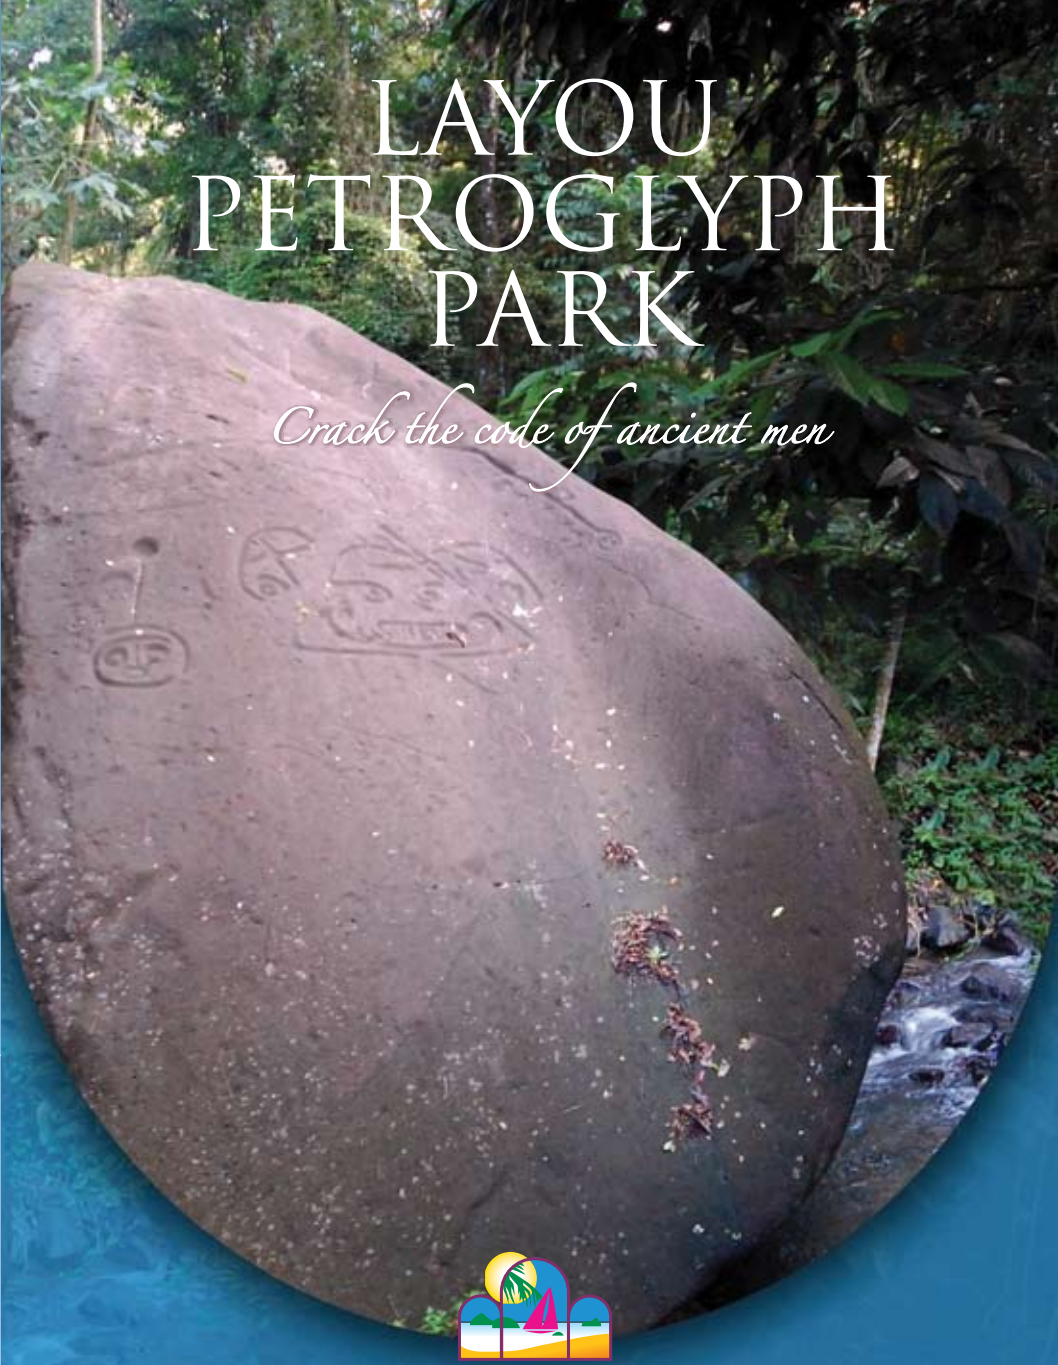

*The Caribbean you're looking for*

Published with the support of a European Union-funded Programme

Why they recorded their thoughts is unknown. The drawings likely conceal messages we'll never understand.

Why they made their mark in such stunning surroundings is uncertain. Maybe the dramatic setting provided inspiration and courage.

You'll find the symbols on a giant boulder at the foot of a nature trail. Trace over them with your Twenty-First Century fingers. Find your own meaning.
